Dear Chairwoman Granger and Ranking Member DeLauro:

I respectfully request funding for the Village of Cornwall-on Hudson's Water Main Replacement Project. The entity to receive funding for this project is the Village of Cornwall-on-Hudson, located at 325 Hudson Street, Cornwall-on-Hudson, NY, 12520. The Village of Cornwall-on-Hudson is undertaking this project to replace a water distribution system to facilitate compliance with national Clean Water Act regulations. The project is an appropriations use of taxpayer funds because it would help maintain Clean Water Act regulations.

The project has a federal nexus because the funding provided is for purposes authorized by the Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Patrick K. Ryan
Member of Congress
